## From the Administrator:

Dear Parents and Students,

Another week of the school year has flown by and we are just two weeks away from the end of the third quarter of the school year. We will be holding Parent-Teacher Conferences on Thursday afternoon, March 19 and all day on Friday, March 20. You will have an opportunity to sign up for a conference time beginning March 1.

Our Jr. High students are hard at work preparing their production of "Mikado" that will be performed at the annual Dessert Theater in April. The faculty is beginning preparations for the spring musical "The Music Machine" which fits our school theme this year "The Fruits of the Spirit". The K-6 production will take place in early May.

I continue to encourage you to register for the 2009/2010 school year early and take advantage of the tuition break. Several of you have already taken advantage of the additional Tuition Assistance being provided to our currently enrolled students by one of our supporting churches. You must however fill out the paperwork to receive this assistance. There really is no financial reason for any child not to be able to return to Anchor in the fall. We do not want any of our Anchor kids not to be here next fall. The members of the Board will make themselves available for questions in March after Spring Break.

I would like to thank Dr. Thanepohn and Dr. O'Brien of Alaska Eye Care Center for conducting our annual eye screening on Wednesday. Dr. Thanepohn has volunteered her time to conduct these screenings for the past 20 years, and we greatly appreciate her dedication to our students and the health of their eyes.

Fur Rondy begins next weekend so be sure to keep in mind all of the fun activities there are to participate in. Enjoy this weekend and enjoy worshipping together.

Mr. Brosz
