From the Administrator:

Dear Parents and Students,

This evening and tomorrow evening our Jr. High class will perform the "Mikado" at the annual Dessert Theater. Tickets are still available for this event which is a fund raiser for the 2010 Jr. High East Coast Heritage Trip.

The mid-term point of the fourth quarter is tomorrow. Mid-term grades will go home on Monday. We are very quickly bringing the 2008/2009 school year to a close. I would encourage those of you who have not returned your enrollment packet for the next school year to do so very soon. Please remember that on June 1 tuition will jump to \$6,300 per student per year. Also remember to apply for tuition assistance if you need it in order to have your children remain at Anchor. The Board of Directors is working very hard to secure funding so that any family who would like their children at Anchor can do just that.

The Kindergarten through grade six are working very hard on their spring musical production of the "Music Machine" which will be performed at 7:00 PM on May 1.

Through the past two years one of our Early Childhood teachers has faithfully conducted a one person recycling program here at Anchor. She would like to cut back her hours of being the recycle person so we are looking for several people who would like to work their Family in Participation hours by being part of the recycle team. If enough people sign up it would not be a full time job. Please contact the school office if you would be interested in helping to recycle the school's aluminum cans, plastic and paper.

My prayers fare with you for a blessed weekend and variety of ways to share your faith with those around you.

Mr. Brosz
